

Bielsko-Biała, 07.03.2024

GENERAL WARRANTY CONDITIONS (GWC) LED-POL SP. Z O.O. SP. K.

1. The warranter is LED-POL spółka z ograniczoną odpowiedzialnością sp.k. [Limited Liability Company Limited Partnership] in Bielsko-Biała at ul. Kustronia 40, 43-300 Bielsko-Biała, KRS No. 0000443817, hereinafter referred to as LED-POL.
2. LED-POL grants the Purchaser a basic warranty for the lighting products manufactured by it for a period of two years from the date of sale of the goods.
3. LED-POL declares that lighting products operated in accordance with their intended use and principles of use, including the power supply parameters appropriate for a given type of light source, will operate properly not less than for the warranty period listed below, subject to the following provisions of GWC.
4. The warranty applies only to products used in the European Union.
5. Warranty periods for the entire product range (for ORO and AMM brands) are 24 months, excluding products listed in Annex 1.
6. The warranty period is counted from the date of purchase of the Product by the Purchaser, resulting from the VAT invoice or fiscal receipt, confirming the purchase of the product.
7. If the terms of the written sales agreement between LED-POL and the Purchaser provide for a warranty period other than that specified in GWC, the correct warranty period is the one specified in the terms of the sales agreement.
8. The scope of the warranty covers only damage caused by hidden manufacturing or material defects.
9. In the event of a product defect, LED-POL, at its own discretion, will:
 - a) replace a defective product with a new one free from defects by an identical or equivalent product,
 - b) repair it free of charge
 - c) return to the Purchaser part or all of its price resulting from the LED-POL price list on the day of sale of the damaged product.
10. If, during the performance of his/her duties, the guarantor has provided the warranty holder with a defect-free item for replacement of the defective item or made significant repairs to the defective item covered by the warranty, the warranty period shall run anew from the date of delivery of the defect-free item or the date of return of the repaired item. If the guarantor has replaced some of the items, the above provision shall apply accordingly to the parts replaced. In other cases, the warranty shall be extended by the time during which the warranty holder could not use the product due to the defect covered by the warranty. If LED-POL replaces any other component in the defective product at its own discretion, and the replacement is not

www.led-pol.com

related to the warranty review process, the warranty for both, the product and the replaced component, does not run anew and is not subject to renewal.

11. This warranty is only valid if the following conditions are met:

- a) The product is used in accordance with its technical specification and the recommendations of LED-POL.
- b) The product is properly connected and installed by specialized personnel in accordance with the instructions for use and the art and technical knowledge.
- c) The product is used in a normal operating environment, taking into account conditions such as pressure, vibration, humidity, contact with liquids, air movement, ambient temperature, etc.
- d) If the conditions in which the products are to be used differ from the conditions for which the luminaires are intended, the Customer shall notify the LED-POL technical department of the conditions of luminaires work before making a purchase. After obtaining permission to install the Product in other conditions issued by the LED-POL technical department, the Customer may install the product and maintain the warranty.
- e) The supply voltage of the product shall be within the limits specified in the technical specification.
- f) The product has not been damaged by incorrect or improper use.
- g) Notification of transport damage for products containing glass, will be no later than 3 days after receipt of goods, after this time claims of broken glass goods will not be accepted.
- h) The revealed defect was reported to LED-POL within 7 days from the occurrence of the accident.
- i) The product has been correctly entered and described in the complaint card available at www.led-pol.com

12. The warranty does not cover:

- a) Defects due to unforeseen and unforeseeable events (force majeure, exceptional circumstances, e.g. lightning strikes);
- b) Defects due to fluctuations in electricity of a scale or time exceeding the levels specified in IEC 61000-4-5:2005-11;
- c) Defects due to natural wear and tear of materials, e.g. discolouration of plastic parts, coatings tarnishing, loss of material properties, etc.;

13. The Customer loses its warranty rights in case of:

- a) Making any modifications, alterations or structural changes to the Product on its own or by other third parties not authorized by LED-POL.
- b) Making any repairs on its own or by entrusting it to persons other than authorized LED-POL employees.
- c) Removal or infringement of serial numbers or other marks identifying the Product.

- d) Exploitation of the Product beyond the durability specified by the manufacturer as indicated on the Product packaging or in the product data sheets.
14. The total working time of the Products may not exceed:
- a) For LED strips supplied at 12V with a width of 8 mm - 2000h per year and 6h per day,
 - b) For other LED strips - 2500h per year and 7h per day,
 - c) For sources on screw bases E27, E14, GU10, G9, G4, G53, MR16, MR11 - 2500h per year and 7h per day,
 - d) For garden luminaires, downlights and spotlights luminaires - 4000h per year and 11h per day,
 - e) For LED floodlights DOMO, DIODO and DIODO-G - 4000h per year and 11h per day,
 - f) For LED floodlights DIODO XP, DIODO-XP-II, DIODO PRO - 4500h per year and 13h per day,
 - g) For LED panels - 4000h per year and 11h per day,
 - h) For LED tubes with standardized screw base T8 (from BASIC and GLASS series) - 4500h per year and 13h per day,
 - i) For LED tubes with standardized screw base T8 (from GLASS POWER series) - 5000h per year and 14h per day,
 - j) For integrated luminaires from a series of industrial luminaires with a standard warranty period of 2 years - 4250h per year and 12h per day,
 - k) For integrated luminaires from a series of industrial luminaires with a standard warranty period of 5 years - 5000h per year and 14h per day.
 - l) For those not listed above with a 3-year warranty of 4000h and 12h a day, with a 5-year warranty of 5000h and 16h a day
15. The performance of new LED sources shall be subject to a tolerance in accordance with COMMISSION REGULATION (EU) 2019/2020 of 1 October 2019.
16. When considering a complaint, its legitimacy is assessed taking into account the current technical standards.
17. A scan of the completed complaint form should be sent to reklamacje@led-pol.pl for the ORO brand and to reklamacjeDIY@led-pol.pl for the AMM brand; the original should be attached to the products being complained about.
18. The complained product together with the documents referred to in item 17 of the GWC shall be delivered to the following address: LED-POL Sp. z o.o. Sp.k., Mazańcowice 614, 43-391 Mazańcowice, subject to item 19 and 20 of the GWC.
19. If the costs of delivery of the complained product exceed its net value resulting from the proof of purchase of the product, the Customer is obliged to deliver the complained product only upon request of LED-POL. In case the transport costs are higher than the value of the product, the LED-POL may accept and consider such a complaint without the need to send the complained product, which will be agreed with the Customer in each case.
20. The provision of item 19 of the GWC shall apply accordingly in the case that it follows from the circumstances that possible damage to the product should be removed at the place where the

product was located at the time when the defect was revealed. The Purchaser should each time agree with LED-POL that there is no need to deliver the complained product. In the event of such an agreement, the Purchaser is obliged to make the product available to LED-POL at any time on request to verify the reported defects and store it in an unchanged condition for the time required for verification.

21. The complained product should be delivered in a factory or substitute packaging that ensures its safety during transport. LED-POL is not responsible for products not properly protected by the Purchaser and may in such a case refuse to handle the complaint. The packaging with the complained product should not contain products returned for other reasons than a quality complaint.
22. The complained product should be delivered to the LED-POL headquarters in a physical condition enabling verification of the damage (defect) and determination of its cause.
23. Complaints about products are handled by the LED-POL Complaints Department (contact to the department is given on www.led-pol.com for ORO brand and led-amm.com for AMM brand).
24. The deadline for handling the complaints is 30 days.
25. Shipping of products accepted by the LED-POL Complaints Department will be carried out within 5 working days after handling the complaint.
26. LED-POL will inform the Customer in writing, by e-mail, telephone or fax about handling the complaint.
27. If the inspection of the goods must take place at the place of installation of the Product, the Customer shall be obliged to provide the service technician with proper access to the products covered by the complaint, including products installed at high heights.
28. In the case of an unjustified complaint, the costs incurred in connection with its handling by LED-POL shall be borne by the Customer. The Customer is also obliged to collect the product. If the Customer fails to collect the product, the costs of storage of the Product shall be borne by the Customer.
29. The liability of LED-POL under the warranty is limited only to the actual damage in the amount not higher than the net value of the complained product, resulting from the price list of LED-POL valid at the date of purchase of the product by the Customer. LED-POL shall not be liable for any indirect damage, including lost profits. LED-POL is not responsible for the costs of disassembly of the product or its connection or disconnection, unless a direct agreement has been signed with the Customer which states otherwise (agreed with the Customer each time). LED-POL is not liable for possible damages, damages due to contractual penalties, loss of reputation or other violation of personal rights.

30. The terms of the warranty agreement (in particular the duration of the warranty and the number of working hours per year) may be changed, which will be agreed each time in writing with the Customer.
31. This warranty does not exclude, limit or suspend the rights of consumers resulting from the provisions on nonconformity of goods with the agreement. In relation to other Customers (not consumers), LED-POL's liability under guarantee for physical defects is excluded.
32. This warranty and all related matters are governed by the laws of Poland.
- The court with jurisdiction to enforce claims related to this warranty is the court with jurisdiction over the LED-POL registered office (not applicable to consumers).
